

— Safe Line

All critical elements must be kept inside the blue box.

— Trim Line

This is where the product will be cut. We do not recommend having borders due to shifting during the cutting process. This can make borders look uneven.

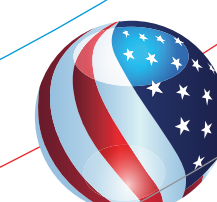

**Bleed Zone**

Make sure to extend background images all the way to the edge.

Size with Bleed: 25" diameter

Final Size: 24" diameter

24" CIRCLE FLOOR DECAL
