

inch 1 2 We will overlay measurement lines and numbers. Your background should extend to the document's edge. 5 6 7 8

— Safe Line

All critical elements must be kept inside the blue box.

— Trim Line

This is where the product will be cut. We do not recommend having borders due to shifting during the cutting process. This can make borders look uneven.

Bleed Zone

Make sure to extend background images all the way to the edge.

Size with Bleed: 8.125" x 2.125"

Final Size: 8" x 2"

DO NOT SUBMIT ARTWORK WITH MEASUREMENT LINES. WE WILL ADD THOSE AFTER YOU SUBMIT YOUR ARTWORK.

8" RULER

We will overlay measurement lines and numbers. Your background should extend to the document's edge. 5 4 3 2 1 CM MM 20 19 18 17 16
